By: 2P211

Narrative: would like to speak to an officer about problems she is having with a friend of her babys father

Issue stems from when child visits her father in Wickliffe. One of father's ex-friends has been reporting drug abuse/endagerment incidents with Child Services. The incidents allegedly happen at father's house in Wickliffe. COM denies any truth to accusations, and feels that complaints stem from the ex-friend's hate for 's father. Harrassment report has already been filed with Wickliffe PD against ex-friend. COM wanted advice as Child Services is visiting tomorrow to follow-up on claims. Advised to contact LPD with any future concerns.

It should be noted that the child looked to be well cared for and happy, the house respectable, and there were no signs of any type of abuse or neglect observed by this officer during the interview.
