DEPARTMENTAL CORRESPONDENCE

DATE: 10-11-06
SUBJECT: 11849 CLIFTON
TO: ROLL CALL BOOK, DISPATCH
FROM: LT. A. CIRESI

Attached is a phone contact list for the Youth Re-entry program (YRE) located at 11849 Clifton. There are 27 clients in the program that reside in buildings C and D, which are at the extreme south end of the property. If you have someone who lives in C or D, they are YRE clients as they have 100% occupancy of those buildings.

Clients, even those age 18 and over, are required to comply with a curfew (same hours as a 17 yr old per L.C.O.). If a client is found out past curfew, notify the YRE staff who will, hopefully, enforce their rules.

Any contacts with YRE clients need to be documented. At minimum, have their names entered in into the CAD person file. The only way we can document that we are having problems with YRE residents is to record their information. FI's, citations, MIN, person file – all of these can be useful for documentation.

Citations and arrests are the preferred course of action for any violations encountered on or off site, in the vicinity of 11849 Clifton, particularly Williamson and Hird Ave.

DISPATCH: ON ANY DETAILS INVOLVING 11849 CLIFTON PLEASE ATTEMPT TO DETERMINE THE APT. BUILDING (A,B,C,D) AND APT. NUMBER AND PUT THIS INTO THE CAD ENTRY.
